Dear Chair Albitz,

Attached for your review is the draft of amendments being proposed to Title 16, Chapter 72 Hawaii Administrative Rules. We are seeking approval from the Small Business Regulatory Review Board to hold a public hearing on these amendments.

The Board approved the proposed rules at its October 6, 2022, meeting.

These amendments have been submitted and reviewed by the Office of the Attorney General as to substance.

The proposed amendments clarify definitions, scope of practice, education and training requirements, sanitation, and use of titles, and include non-substantive changes. An outline of the proposed changes are as follows:

Subchapter 2 Definitions. The Board clarified and added definitions in this subchapter.

Subchapter 3 Authorized practice; scope of practice; license. In this subchapter, the proposed amendments expand the authorized practice of acupuncture, the use of telehealth is clarified, and the prohibition of permanently implanting needles is stated. Record keeping guidelines are also described. Rules for acupuncture student interns are clarified and the duties and minimum standards of a supervising acupuncture practitioner is added.

Subchapter 4 Education and training requirements. In §16-72-14, the formal education and training requirements are amended. The use of titles is clarified in §16-72-17 to allow licensees to use the title of "Doctor of Acupuncture", "D.Ac." or similar title if the licensee has

earned a doctoral degree in acupuncture or traditional Oriental medicine from an acupuncture school.

Subchapter 5 Application for license. §16-72-20 is amended to include acupuncture and herbal medicine. Verification of education and training is amended in §16-72-23 to clarify the documents that must be submitted with an application. §16-72-27 is removed.

Subchapter 6 Examination. §16-72-33 is amended and requires that beginning January 2022, all applicants applying for a license as an acupuncturist shall pass all exams administered by the National Certification Commission or Acupuncture and Oriental Medicine (“NCCAOM”), or its successor testing agency, necessary to obtain a Diplomate of Oriental Medicine or its equivalent as determined by the Board. §16-72-36 is removed.

Subchapter 7 License renewal. Licensees will be required to submit a current cardiopulmonary resuscitation certification approved by the American Red Cross or American Heart Association.

Subchapter 8 Public health and sanitation. A few changes were made in this subchapter, including requiring a fresh disposable paper in the head area if the patient is being treated in a chair, clarifying sanitation before and after a treatment, using disposable needles, and disinfecting instruments. §16-72-54 Herbal disclosure is added.

Subchapter 9 Advertisement. §16-72-57 clarifies how licensed acupuncturists may advertise.

Other non-substantive amendments were also included for clarity and style.

After your review, the proposed amendments will be submitted to the Governor for approval to proceed with a public hearing.

If you have any questions, please contact me at (808) 587-8854 or by email at [rdoi@dcca.hawaii.gov](mailto:rdoi@dcca.hawaii.gov).
